

# **2023finland solar container exhibition**

## Overview

---

At the inaugural Solarplaza Summit Finland, anticipate a tailor-made event that brings together local developers, independent power producers (IPPs), and investors eager to master Finland's permitting regulations while exploring strategies to enhance their development pipelines in. The Wind Finland Oulu Construction and Production event, organized by Wind Finland, is set to take place at the Tapahtumakeskus Tullisali in Oulu, Finland. CLEANPOWER features exhibitors and conference programming specifically for utility-scale solar and storage as well as focus on key, strategic issues that impact the pan renewable community. The global solar storage container market is experiencing explosive growth, with demand increasing by over 200% in the past two years.
