HE definition in American English , Collins English Dictionary

In written English, he is sometimes used to refer to a person without saying whether that person is a man or a woman. Many people prefer to use `he or she' or `they' as an alternative to `he.'

He (pronoun)

Today, he is the only masculine pronoun in English. In the 18th century, it was suggested as a gender-neutral pronoun, and was thereafter often prescribed in manuals of style and school textbooks until ...
