Overview

Follow the links below to view or download the terms & conditions and exclusions. This Limited Warranty covers the Battery installed on the property at the address identified above (the "Address"). ("SolarEdge") shall cover defects in (i) workmanship and materials; and (ii) Energy Capacity of the below-listed SolarEdge Home Battery 400V ("SolarEdge Home Battery 400V") for the applicable Warranty Period set out below: The SolarEdge Home Battery 400V shall be covered by this. Understanding solar battery warranties is important for homeowners thinking about energy storage solutions. A standard battery warranty should come with at least 10 years of protection, though it can be shorter depending on how often you charge and drain your battery. While solar energy systems are built to withstand decades of outdoor use, the right warranty coverage assures extra peace of mind by protecting your investment against potential malfunctions, damage, or underperformance.
