

Indian industrial solar container manufacturer

Overview

In this 2026 edition of India's top solar EPC companies, we explore the leaders shaping the renewable energy landscape, from large-scale developers to specialized commercial EPC partners trusted by industries across the nation. In a groundbreaking move towards sustainable and portable energy solutions, lysert Energy has unveiled India's first container foldable solar power system. The brand new self-sustainable Containerized Solar PV Solution by Statcon Energiaa provides a ready-made alternative for the common problem of power supply to remote and far-flung areas. This container is designed and manufactured using fine grade raw material and latest technology at our sound production setup under the guidance of our deft professionals. Bloom seal is known for its innovative & customized rigid packaging products. Shagai Logistiques started its business journey as a NVOCC operator in 19th October, 1996 and after that turned into Shagai Logistiques Private Limited.
