

Iraq solar container welding company

Overview

We specialize in the wholesale supply of high-quality solar components, including panels, inverters, batteries, and EV chargers, sourced from leading global manufacturers. In addition to supply, we work alongside international partners to deliver utility-scale solar projects. Sunaa Al-Ibdaa Company is a startup specializing in solar energy with a vision as vast as the sun itself. With over a decade of experience, SNMEC Factory has been at the forefront of engineering, procurement, and construction of steel structures and storage tanks, delivering quality and innovation across major projects nationwide.
