

Iraqi pneumatic solar container machine brand manufacturer

Overview

Sippar is a leading solar power and renewable energy solutions company based in Baghdad, Iraq, dedicated to providing sustainable energy alternatives for homes and businesses across the region. Solar Energy Equipment Supply Capacity in Iraq Despite the promising future of the solar market in Iraq, there is a limited number of local suppliers and distributors. NPC is providing expert Engineering, Procurement and Construction (EPC) services in different disciplines of industry, with a special focus on projects related to power and energy industries. In Iraq, as communities and industries increasingly prioritize sustainability, the demand for efficient recycling equipment has never been higher. At the heart of many recycling operations lies the plastic pneumatic conveying system equipment —a vital tool that streamlines the movement of plastic.
