

Madrid power plant solar container wins bid

✓ 50KW/100KWH

✓ HIGHER POWER OUTPUT
IN OFF-GRID MODE

✓ CONVENIENT OPERATION
& MAINTENANCE

✓ PRE-WIRED

Overview

Spanish airport operator Aena SME SA (BME:AENA) has said that it has awarded a contract for the execution of a 120-MW/142.42-MWp solar project at Madrid airport to domestic builder Construcciones San Jose. In Madrid, Spain, independent power producer Matrix Renewables (invested by the TPG Rise Fund) has submitted environmental impact assessment and administrative permit applications for the Visenta and Perdiguero lithium-ion battery energy storage projects. Last Tuesday, Spain's government held the long-awaited auction of 3,034 MW of new renewable licenses with a high level of participation. A total of 84 companies made bids, reaching 9,700 MW, which is three times the power offered. The article will explore top 10 energy storage manufacturers in Spain including e22 energy storage solutions, Iberdrola, Cegasa, HESSte, Uriel Renovables, Matrix Renewables, Gransolar Group, Grenergy Renovables, Landatu Solar, Power Electronics.
