

Muscat shared solar container power station approval

Overview

MUSCAT, 22nd September, 2025 (WAM) -- Nama Power and Water Procurement (PWP) has signed an agreement for the development of the Sultanate of Oman's first utility-scale solar and battery storage project with the consortium of Abu Dhabi Future Energy Company PJSC - Masdar, Al Khadra. Enter the Muscat shared energy storage site - Oman's answer to this energy seesaw. This 500MW facility isn't just another battery farm; it's like a giant power bank where businesses can "rent" storage space, preventing energy waste equivalent to powering 150,000 homes annually [1 Enter the Muscat. The Ibri III Solar Independent Power Project will combine a 500MW photovoltaic plant.
