

National development and reform commission shared solar container policy document

Overview

On 22 March 2022, the National Development and Reform Commission (NDRC) and the National Energy Administration (NEA) issued the "14th Five-Year Plan for a Modern Energy System" (FYP; a?

| China's 14th Five-Year Plan has introduced groundbreaking subsidies for. 136, explicitly stating that energy storage configuration should not be a prerequisite for the approval of new energy projects, ending the "mandatory. According to Wechat Official Account @escn518, in the short four months of 2025, a series of new policies have been successively released at the national and local levels, ushering in an unprecedented "policy storm" for China's new energy industry and accelerating the transformation of the energy. On March 26th, Zheng Shanjie, Chairman of the National Development and Reform Commission (NDRC), met with Roland Busch, President and Chief Executive Officer of Siemens AG, who also serves as Chairman of the Asia-Pacific Committee of German Business (APA). In 1954, it was transformed to the State Planning Commission of the People's Republic of China.
