

New delhi nouakchott solar container wins bid

Overview

The company based in Delhi found itself amongst the lowest financial bidders in yet another mega-tender staged by NHPC, but this time winning a total amount of 300 MW of grid-connected solar power and 150 MW/600 MWh of battery storage at the tariff of INR 3. PNC Infratech, whose main products include highways and toll bridges, has made a decisive move into the clean-energy world. The global solar storage container market is experiencing explosive growth, with demand increasing by over 200% in the past two years. Pre-fabricated containerized solutions now account for approximately 35% of all new utility-scale storage deployments worldwide. State-owned Bharat Heavy Electricals Limited (BHEL) emerged winner in an auction recently conducted by The Energy and Resources Institute (TERI) for installation and maintenance of battery energy storage systems (BESS) at the distribution level in the NCT of Delhi. As part of the new airport's build, Daxing has an integrated project within it comb its initiation in Shahpur/ Shahbad, Baran.
