Overview

Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. Innovations in materials and manufacturing processes have enhanced performance and durability, while regulatory standards have increased compliance requirements. Our pioneering initiative unites industry leaders in a collective effort to enhance cargo. Nexxiot is a founding member of the newly launched Smart Container Alliance, an industry wide initiative which is enhancing global trade security and efficiency.
