

Pakistan solar container technology company factory operation telephone

Overview

We are the longest standing and pioneering solar solutions company in Pakistan, founded in 2005. We are your source for clean, affordable and reliable energy, with a simple mission to power energy independence so our customers have the freedom to live life. We are an EPC company that specializes in solar power projects, providing one window solution from design, supply, manufacture, installation, and commissioning, and after-sales support. Case Study: During the 2022 flood in Sindh, one LZY-MSC1 unit provided support to emergency operations by providing power to a mobile hospital, so that critical medical equipment kept.
