

# **Personal solar container project circle**

## Overview

---

Join us as we take a detailed walk-through of the planning and installation of our 3kW - 5kWH - 120V off-grid solar system that powers a rehabbed shipping container! Hi there, we're Jonathan & Ashley from Tiny Shiny Home. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. With its transportable convenience and environmental efficiency, it stands at the forefront of renewable energy solutions.

## Personal solar container project circle
