

Romanian solar container explosion

Overview

A blast in an eight-storey apartment block in a peripheral district of Bucharest, Romania on Friday killed three people, injuring at least 13 others. Whether it's investigating the financials of Elon Musk's pro-Trump PAC or producing our latest documentary, 'The A Word', which shines a light on the American women fighting for reproductive rights, we know how important it is to parse out the facts from the messaging. The explosion affected the fifth and sixth floors of the eight-story building, according to the capital's Inspectorate for Emergency Situations.
