

Sea wind solar container

Sea wind solar container

What's the difference between an ocean and a sea?

A sea is generally smaller than an ocean. In fact, a sea is usually part of a larger ocean that is partially enclosed by land. Examples are the Red Sea and Mediterranean Sea.

We are right now in a historic solar storm impact. Really, this can't

Uh we had an S four radiation storm, the strongest in 20 years. Solar wind velocity right now is over a thousand kilometers per second for the bulk of the solar storm. It's been about six hours now of ...

Sea

The sea is the interconnected system of all the Earth's oceanic waters, including the Atlantic, Pacific, Indian, Southern and Arctic Oceans. [1] However, the word "sea" can also be used for many specific, ...
