

Shanghai university of science and technology adds solar container science and engineering

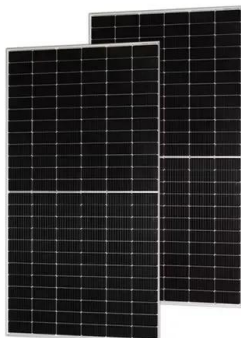

Shanghai university of science and technology adds solar container

University of Shanghai for Science and Technology

The University of Shanghai for Science and Technology (USST) is a municipal multidisciplinary key applied research-oriented university with engineering as its core. There are 17 ...

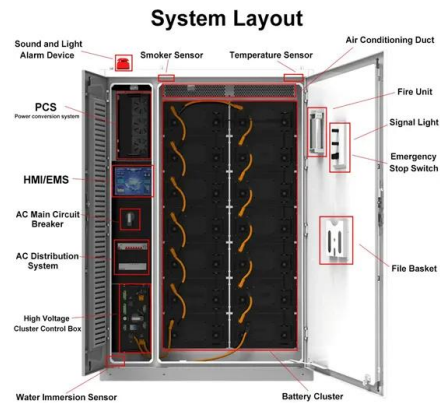

School of Mechanical Engineering, Shanghai Jiao Tong University

Its current activities involve solar thermal utilization, solar cooling, solar desalination, and photovoltaic cells and others that aim at technology transfer, as well as fundamental

ShanghaiTech University

ShanghaiTech University is playing an important role in the construction of national facilities in Zhangjiang Hi-Tech Park, such as the Free Electron Laser Facility, the Live Cell Imaging Facility ...

Container Supply Chain Technology Engineering Research Center of ...

Engineering Center aims at expanding in the area of R& D and engineering directions for container supply chain technology at home and abroad, and promoting the impact and academic subject level ...

research. Adsorption ...

Tong SHAN , PostDoc Position , Doctor of Science , Shanghai Jiao ...

Semitransparent organic solar cells (ST-OSCs) have shown great potential for integrating into the windows of buildings. The absorption region predominated by the photovoltaic materials is vital

Shanghai University of Engineering Science

Get information on Shanghai University of Engineering Science at U.S. News. Find out where the university is ranked globally based on its academic reputation and research.

University of Shanghai for Science and Technology

Learn more about studying at University of Shanghai for Science and Technology including how it performs in QS rankings, the cost of tuition and further course information.

School of Materials Science and Engineering

Master and Ph.D programs in the field of Materials Science and Engineering with abundant scholarships are offered to international students. Applicants from all over the world are ...

Join Us-USST

In 2018, in line with the construction of Shanghai high-level universities, USST will continue the enforcement of her strategy of "strengthening the university through talents" and cordially invite ...

School of Mechanical Engineering, Shanghai Jiao Tong University

School of Mechanical Engineering, Shanghai Jiao Tong University 2024-2027 Highly-efficient and salt-resisting solar distillation enhanced by thermohaline convection, National Natural Science ...

Scholarship-USST

- (1) Non-Chinese citizen in good health.
- (2) Applicants pursuing Bachelor ' s degree should hold High School degree diploma or the equivalent and should be under the age of 25. In addition, the ...
