Solar container emu

How We POWER Our Off Grid Shipping Container Home

Our complete solar system is finally DONE! Lou goes through exactly how he built our off grid DIY power station to run everything we need in the shipping containers.

Solar Container , Large Mobile Solar Power Systems

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

If They Can Put Solar Power Here, They Can Put It Anywhere

The Port Newark Container Terminal in New Jersey is now one of the few shipping hubs in the world to use on-site solar power to cut its own emissions (cropped; courtesy of Standard Solar).

Port Newark Container Terminal completes solar project in ...

The Port Authority of New York and New Jersey, Port Newark Container Terminal, and the City of Newark have jointly announced the completion of a landmark 7.2 megawatt solar energy ...

Mobile Solar Container: Versatile and Efficient Off-Grid Energy

Discover the Mobile Solar Container, a portable and efficient solar energy storage system ideal for remote sites, disaster relief, and off-grid power needs. Easy to deploy and eco-friendly, it ensures ...

Solarcontainer: The mobile solar system

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

Best Foldable Solar Container for Off-Grid Power , Sunmaygo

Discover the world's leading foldable solar container with 40% higher energy density. Solarfold(TM) by Sunmaygo offers quick deployment & 70% lower costs than diesel.

Renewable Solar Container Generators

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and microgrid compatibility.

NEW SOLAR ENERGY INSTALLATION AT EAST COAST'S ...

The solar installation now generates 50 percent of the terminal's annual energy needs, greatly reducing emissions and improving air quality. In addition to generating power for terminal ...

Instant Off-Grid(TM) Shipping Containers with Solar and Batteries and AC+

Beyond mounting the solar panels on the roof of the container on delivery, NO wiring or assembly is required to have your own storage, living space or workspace ready in just a few hours.
