

Solar container summer camp postponed

Overview

The camp will be held from June 9 to June 12, 2025, at the Student Engagement Center (SEC), Rooms 204 & 205, from 8:30 AM to 2:30 PM each day. Built for longevity, the SolaraBox solar container is built to withstand harsh environmental conditions and ensure a reliable power supply. We're excited to announce the Fall 2024 Hyperadobe Workshop! It will be held on our homestead from November 9th-15, 2024. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. Our summer camps offer a unique blend of fun, learning, and innovation, designed to inspire young minds and introduce them to the incredible world of solar energy.
