

West african solar container state-owned company

Overview

WACT, owned by APM Terminals, is the first greenfield container terminal built under a Public-Private Partnership model in Nigeria. This will see 30% of the Terminals' electricity switch from Diesel generators to renewable. APM Terminals' West Africa Container Terminal (WACT) has signed a strategic Power Purchase Agreement (PPA) with Starsight Energy, a leading pan-African clean energy company, for a 1.
