Thick shell, well protection for inside cells

BMS customization supported

Yinghe technology solar container battery equipment

Professional Lithium Battery Equipment Producer

Through continuous innovation in lithium battery manufacturing equipment, we ensure customers benefit from high-quality automation and intelligent production upgrades around the world.

YingHe Technology , HiredChina

Yinghe Technology was founded in 2006 and successfully went public in 2015 (Stock Code: 300457). It is one of the first companies in the lithium battery equipment industry to be listed on the stock ...

- LiFePO₄
- Wide temp: -20°C to 55°C
- Easy to expand
- Floor mount&wall mount
- Intelligent BMS
- Cycle Life:≥6000
- Warranty :10 years

Yinghe Technology - Global Distributor of Electronic Components

Shenzhen Yinghe Technology Co., Ltd. produces and services automated production equipment for the production processes of lithium-ion, polymer, and power batteries.

Ying He Technology

Specializes in R& D, manufacturing, and integration of high-end battery production equipment, supporting lithium-ion (EVs, energy storage, consumer electronics), solid-state (wet and dry), sodium-ion, and ...

Manz and Shenzhen Yinghe Technology sign cooperation deal on ...

The German company said that together with Yinghe, established in 2006 with divisions focused on R& D, production and sales of "intelligent automation solutions for the manufacture of ...

Yinghe Technology

Yinghe Technology conducts research, development, production, and sales of new energy automation equipment within the power battery industry. The company provides products that support the power ...

How about Yinghe Technology's energy storage equipment?

Yinghe Technology's energy storage solutions offer numerous benefits, including enhanced efficiency, scalability, and reliability. Users experience reduced energy costs due to ...

YINGHE TECHNOLOGY , BATTERY EXHIBITION

Founded in 2006, Yinghe Technology was successfully listed in 2015, becoming one of the first listed companies in the lithium-ion equipment industry. Yinghe grow into one of the entire digital production ...

Shenzhen Yinghe Technology (SHE:300457) Company Profile

Shenzhen Yinghe Technology Co., Ltd engages in the research and development, production, and sale of lithium-ion battery automation equipment in China. The company offers ...

Lithium Battery Coating Machine , Custom Production Line Solutions ...

As one of the first domestic and global suppliers of wet coating solid-state battery equipment solutions, Yinghe Technology's battery coating machine is driving a transformation in the lithium battery ...

Yinghe Technology , LinkedIn

Yinghe Technology , 2.213 Follower:innen auf LinkedIn. Founded in 2006, Yinghe Technology was successfully listed in 2015, becoming one of the first listed companies in the lithium-ion equipment ...

Professional Lithium Battery Equipment Producer , Yinghe Battery

As a leading lithium battery automation equipment manufacturer, we continue expanding our global presence to support customers in advanced energy industries. By integrating advantages in solutions ...

Trusted Lithium Battery Equipment Supplier ,Yinghe Battery Solutions

Yinghe offers battery production lines designed for efficiency and precision. We supply advanced lithium battery equipment to meet diverse manufacturing needs.

Yinghe Technology

Founded in 2006, Yinghe Technology was successfully listed in 2015, becoming one of the first listed companies in the lithium-ion equipment industry. As our products are applied in multiple fields

Yinghe Science and Technology won the bid for more than 1.4 billion

It is understood that Yinghe Technology is the first enterprise in the industry to launch the whole line solution of lithium battery intelligent production line, which fully meets the customized ...

Shenzhen Yinghe Technology Capitalizes on Solid-State Battery ...

The recent surge in solid-state battery stocks, including Shenzhen Yinghe Technology, reflects the industry's optimistic outlook. The company's shares have seen a notable increase, ...

Shenzhen Yinghe Technology , Company Overview & News

Shenzhen Yinghe Technology Co., Ltd. produces and services automated production equipment for the production processes of lithium-ion, polymer, and power batteries.

NeoVolta Launches U.S. Battery Manufacturing Platform

Illustrative Revenue Potential Industry analyses, including from the U.S. National Renewable Energy Laboratory (NREL), indicate that utility-scale and C& I battery energy storage ...

Solid-state battery equipment

Leveraging 19 years of deep expertise in lithium battery equipment, Yinghe Technology has launched a brand new solid-state battery equipment solution, becoming one of the first domestic companies to ...

YingHe Technology , HiredChina Jobs Board

Yinghe Technology was founded in 2006 and successfully went public in 2015 (Stock Code: 300457). It is one of the first companies in the lithium battery equipment industry to be listed on the stock market.

YINGHE TECHNOLOGY
